

# Beat the Deadline.

## FEDERAL CONTRACTORS

*In just 6 months, all federal contractors and vendors will be required to comply with **FISMA***

*(Federal Information Security Management Act)*

## Cyber Security Seminar Free Lunch & Learn June 29th from 11am - 1 pm

*Learn how to protect both your intellectual and physical property through data protection, audits, employee training and screenings, and more. This can be costly and—yes—confusing for small-business owners. RNT Professional Services representatives will be available to answer questions about what is required for your business.*

**LOCATION:** Pioneer Technology Center, Seminar Center, 2101 N, Ash Ponca City, OK 74601
